Explanatory Note

(This does not form part of the order, but is intended to achieve its general purport.)

Therefore, the Registrar of Co-operative Societies requested the Government to exempt the affected societies from the operation of the said amendment. Vide G. O. The Registrar of Co-operative

Societies has now reported that guidelines for fixing the wards of such societies could not be issued as the rules in accordance with the said Amendment Act have not yet been issued and has recommended the Government to extent the exemption for a further period from 14th February, 2014 to 31st December, 2014 or till the date of conducting election to the committees after duly registering bye-laws in accordance with the provisions of the said Amendment Act, whichever is earlier. The Government have considered the matter in detail and are satisfied that it is necessary in public interest to extent the exemption for a further period from 14th February, 2014 to 31st December, 2014 or till the date of conducting election to the committees after duly registering their bye-laws in accordance with the provisions of the said Amendment Act, whichever is earlier.

The order is intended to achieve the above objects.
