AGRICULTURE (CO-OP.ESTT) DEPARTMENT

G.O.Ms.116/82/AD. Dated, Trivandrum 24..3..1982.

Read : Letter No.M (3) 22089/81 Dt. 29..8..81 from the Registrar of Co.operative, Societies, Trivandrum.

O R D E R

The Registrar of Co-operative Societies, in his letter read above, has forwarded a scheme for development of educational Co-operative Societies in the State. He has pointed out that Educational Societies have ample scope for providing employment opportunities to the educated unemployed paying salaries at reasonable rates. Further the Educational Societies are organized with the twin objectives of providing employment to the educated unemployed and educational facilities to a large number of students who pass out of the High Schools but do not obtain admission in Colleges. The Registrar of Co-operative Societies will be able to provide education to the students by collecting fees at the reasonable rates.

2. The scheme envisages organisation of Co-operative Educational Societies having area of operation, a Taluk and the Registered office at the Taluk Head Quarters. Graduates and post-graduates who are inclined to take up teaching as profession will be admitted as member of the Societies. The management of the Societies will be carried on by the Honourary Directors limiting the paid employees to the minimum so that the cost of establishment will not be high. For the establishment of a society, it requires heavy investments on land, buildings, furniture, laboratory library etc. In addition to the
